This unique approach to compliance will reduce unnecessary audit inefficiencies, reduce costs, and reduce internal resources time dedicated to compliance initiatives.

Talk about a Win-Win situation.

Who We Are

SSAE 16 Professionals is a US based, PCAOB registered CPA firm, serving clients throughout the United States and around the globe. SSAE 16 Professionals was founded with the goal of providing clients with top professional talent from a boutique-style professional services firm. Each of our professionals have over 10 years of relevant experience at "Big 4" and other large international or regional accounting firms

What We Do

SSAE 16 Professionals focuses on information security (InfoSEC) and compliance related to various engagement programs. These engagements include, but are not limited to:

- > SOC 1 and SOC 2 Audits
- > ISO 27001 Assessments
- > PCI Compliance
- > HIPAA Compliance
- > HITRUST Compliance
- > Vulnerability Assessments
- > Penetration Testing
